

Environex International

HD Cleaner

Heavy Duty Cleaner For Most Surfaces

HD CLEANER is a powerful caustic detergent degreaser formulated for safe and effective removal of heavy grease and soil deposits encountered in kitchen, food preparation areas, plant, machinery and workshops. **HD CLEANER** has excellent foaming and cleaning characteristics ideally suited to cleaning heavy oil and grease spills from masonry paving, diesel fumes, road grime, bbqs, ovens, truck engines and bodies.

Follow the 4 Easy Steps

Always wear Personal Protective Equipment (PPE) – A minimum requirement of Safety Glasses, Gloves & Boots. Damage to clothing may occur.

1. Mix **HD CLEANER** at 50ml per 1 Litre of hot water. Flood the affected area and allow to react for 2-3 minutes. Lightly scrub with an **ENVIRONEX EAGER BEAVER**, then mop off.
2. Rinse the area with fresh water.
3. Neutralise the area with a capful of **REFRESH** pH neutral detergent in 5-10L of water.
4. Rinse with fresh water.

Always test first.
